

The image is a title screen for the game Blue Archive. It features three anime-style female characters in school uniforms. On the left, a white-haired girl with purple eyes looks slightly to the side. In the center, a blonde girl with a yellow halo and a purple bow in her hair is smiling broadly. On the right, a pink-haired girl with yellow eyes and a white bow in her hair is looking towards the viewer. A small white chicken-like character is peeking out from behind the blonde girl. The background is a blurred blue and white grid pattern.

This will allow us to easily create the sim without coding.

And thanks to keynote, we can easily export it as a website once done.
